

# The UAB Department of Pastoral Care presents the Psychosocial Spiritual Grand Rounds, 2018 Season

We will begin our 2018 season on January 9th with a presentation by neurologist **Daniel Potts**. Dr. Potts serves on the staff of the Tuscaloosa VA Medical Center and as president of the Cognitive Dynamics Foundation, which he founded. He also serves as Medical Director at Dementia Dynamics. Among the prolific writing Dr. Potts has done, he co-authored the best-selling Neurology for the Boards, and through the process of caring for his father, Lester Potts, saw to the publishing of the elder Potts' multiple water colors, a talent he discovered as an Alzheimer's patient. In Dr. Potts' words, the process of caring for his father and becoming involved in working with dementia patients has been an expansive spiritual journey for him. Dr. Potts' presentation will include a gallery of his father's paintings.

Daniel Potts, M.D.
